PROFESSIONAL EXPERIENCE

UI/UX Designer — Tech Business Development | CTO's Office

Adani Enterprises Ltd., Ahmedabad, Gujarat | Oct 2024 – Present

- Led end-to-end UI/UX design across 4 business verticals — AI Labs (Sirius Digitech), Cyber Security, Adani Digital Labs (Adani One), and Tech Business Development — conducting user research, usability studies, and client interviews using design thinking principles.
- Designed and delivered high-fidelity prototypes for 5 Adani Group platforms and 3 SaaS dashboards — translating CX briefs into brand-aligned interfaces, driving a 15% increase in site visits and client acquisition.
- Conducted 3+ NPD journey mapping and KPI analysis projects — creating wireframes, storyboards, sitemaps, personas, and user flows; designed and tested consumer-facing flows for Adani One including payments and F&B; services.
- Built and maintained a scalable Design System of reusable components and patterns, ensuring WCAG-aligned accessibility standards and visual consistency across all enterprise digital touchpoints.
- Collaborated with engineering, product managers, and leadership stakeholders to deliver responsive, accessible, and scalable digital solutions; coordinated deliverables with IBM, Microsoft, and L&T;.
- Reduced design turnaround time by 30% (5–6 days per project) through AI-powered design workflows including Figma Make, Google AI Studio, and Google Stitch.

Creative Associate & Management Trainee

Green Dot Agro Pvt. Ltd., Gujarat | May 2024 – Oct 2024

- Designed and delivered complete brand identity system — logo, colour palette, typography, and visual language from scratch — as sole designer; managed IP registration, trademark filing, and client outreach independently.

Packaging Designer & Creative Consultant

Hekate Industries Pvt. Ltd., Mumbai | Feb 2024 – Apr 2024

- Defined visual language and brand-aligned design system for 5 SKUs; validated 8 design concepts through prototyping and iterative stakeholder feedback, reducing late-stage revision rounds.

Product Packaging & Artwork Designer

N.K. Proteins Pvt. Ltd. (Olixir Oils), Gujarat | Jan 2022 – Jul 2022 (7 months, paid; extended voluntarily by 4 months)

- Delivered full packaging design for 20+ SKUs across 4 product ranges — from 3D bottle modelling and dieline development to 80+ print-ready label variants; improved brand engagement by 12%. Art directed product photoshoots from concept to execution.

ACADEMIC PROJECTS — UX RESEARCH & SERVICE DESIGN

Crush Cup — Master's Thesis | Creative Enterprise Award Winner | Glasgow School of Art, UK | Jul–Sept 2023

- Conducted 4–5 weeks of mixed-methods primary research across 2 structured research stages — including 10+ ethnographic café observations, in-depth interviews with 7 stakeholder groups, a public survey, and interactive street installations — uncovering that only 1% of the UK's 2.5 billion annual disposable cups are recycled.
- Identified convenience (not intent) as the core barrier; designed Crush Cup — an end-to-end terracotta cup service system validated through 2 live user-testing workshops and café trials at 2 Glasgow coffee shops over 1 week — with 5 consumer archetypes, a full service blueprint, touchpoint matrix, and 7-actor stakeholder ecosystem delivered.

Fair Finance in the UK — NexuShift | Glasgow School of Art, UK | Apr–Jun 2023

- Conducted primary qualitative research with 3 banks, 2 NGOs, and 25 women — reframing financial exclusion as a service design failure and co-designing a nonprofit–bank collaboration model; delivered service blueprint, actor ecosystem map, and implementation pathway.

INTERNSHIPS

Packaging & FMCG Design | Adani Wilmar Ltd., Gujarat | May–Jun 2019 & Jul–Sept 2020

- Contributed 10 packaging concepts for NPD by studying factory constraints and FMCG compliance; conducted user research during COVID-19 to validate designs against shifting hygiene needs.

FREELANCE & ENTREPRENEURSHIP

- Founder, Sin Cos Crafts — Design-led craft brand built end-to-end: branding, e-commerce, operations, marketing, and partnerships (Dec 2019 – Jul 2024)
- Brand Identity Designer, XLR8 Aerospace — Market-ready brand identity with 100% asset consistency across 80+ iterations, boosting visual adaptability by 35% (Feb–Apr 2023)
- Packaging Designer, The Vedas Green Tea — Print-ready die-line packaging and 6+ mockup variants aligned to FMCG shelf and e-commerce standards (Jan–Mar 2021)

ACHIEVEMENTS

- Creative Enterprise Award (2023) — Glasgow School of Art, for Crush Cup: sustainability-first end-to-end service design system.
- Valedictorian Gold Medal (2022) — First class distinction (80.6%), Nirma University.
